the edited volume explores the unique positionality of girls as they experience gender based violence while girl children are often placed under the umbrella of womanhood their location at the intersection of femalehood and childhood places them in a unique position with regards to various forms of exploitation and

violence feminist theories including feminist legal theory provide pertinent avenues to explore girls positionalities yet girl children should also be contextualized in relation to their current lived experiences this book firstly explores the cultural and visual portrayal of girlhood and its relationship with gender based violence and secondly provides case studies of specific violations of human rights encompassing sexual violence and exploitation it considers legal social and economic avenues to support girls in reclaiming their identity dignity and bodily integrity

development in modern africa past and present perspectives contributes to our understanding of africa s experiences with the development process it does so by adopting a historical and contemporary analysis of this experience the book is set within the context of critiques on development in africa that have yielded two general categories of analysis skepticism and pessimism while not overlooking the shortcomings of development the themes in the book express an optimistic view of africa s development experiences highlighting elements that can be tapped into to enhance the condition of african populations and their states by using case studies from precolonial colonial and postcolonial africa contributors to the volume demonstrate that human instincts to improve material social and spiritual words are universal they are not limited to the western world which the term and process of development are typically associated with before and after contact with the west africans have actively created institutions and values that they have actively employed to improve individual and community lives this innovative spirit has motivated africans to integrate or experiment with new values and structures challenges and solutions to human welfare that resulted from contact with colonialism and the postcolonial global community the book will be of interest to academics in the fields of history african studies and regional studies

teaching and learning in south african schools offers sound detailed and practical direction to help new and experienced educators and student educators move with ease within the framework of teaching and learning
